

Curriculum Vitae

Personal information

Isabella Romeo

OMISSIS

Work experience

Dates	8 th -19 th December 2018
Occupation or position held	Visiting Assistant in Research
Main activities and responsibilities	Project MX18MO10: Development of computational methodologies for the investigation and characterization of antioxidant in Italian and Mexican natural products.
Name and address of employer	Department of Chemistry - Universidad Autónoma Metropolitana-Iztapalapa (Mexico) Supervisor: Prof. Annia Galano
Dates	February 2018 – 31 January 2019
Occupation or position held	Post-doctoral research
Main activities and responsibilities	Project RESIFAC: Realization and testing of pilot plants for fast composting of organic and industrial waste
Name and address of employer	Department of Chemistry and Chemical Technologies – University of Calabria, Italy Laboratory of Computational and Theoretical Chemistry
Dates	May 2017 – August 2017
Occupation or position held	Visiting Assistant in Research
Main activities and responsibilities	Lead optimization – Free Energy Perturbation (FEP)
Name and address of employer	Department of Chemistry - Yale University, New Haven, USA Supervisor: Prof. William Jorgensen
Dates	April 2016 – June 2016
Occupation or position held	Teaching for the Integrated Course: Operative Management Tools, clinical and therapeutic and economic I
Name and address of employer	Postgraduate school in Hospital pharmaceuticals – University Magna Graecia of Catanzaro, Italy Pharmaco-economic module
Dates	2014 -2015
Occupation or position held	Tutor of Analytical Chemistry 1 and 2
Name and address of employer	University Magna Graecia of Catanzaro, Italy
Dates	January 2014 – March 2014
Occupation or position held	Teaching in Trichology and Hygiene
Name and address of employer	ECIPA, Crotona, Italy
Dates	2010 – 2011
Occupation or position held	Part-time contract as University secretariat
Name and address of employer	University Magna Graecia of Catanzaro, Italy.
Education and training	
Dates	2014 - 2017
Title of qualification awarded	PhD in Life Sciences
Principal subjects/occupational skills covered	Thesis: “ <i>Computational studies on antiviral targets: drug resistance mechanism and rational drug design</i> ”.
Name and type of organisation providing education and training	Department of Health Sciences – University Magna Graecia of Catanzaro, Italy Supervisor: Dr. Anna Artese

OMISSIS

Dates 2013
 Title of qualification awarded Qualified Pharmacist
 Name and type of organisation providing education and training University Magna Graecia of Catanzaro, Italy

Dates 2007 - 2013
 Title of qualification awarded Degree in Pharmacy with highest honours
 Principal subjects/occupational skills covered Thesis: "Identification of natural compounds against HIV-1 Protease by means of virtual screening techniques".
 Name and type of organisation providing education and training University Magna Graecia of Catanzaro, Italy

Supervisor: Dr. Anna Artese

Personal skills and competences

Mother tongue(s)
 Other language(s)

Self-assessment
 European level (*)

English
French

Italian

Understanding		Speaking		Writing	
Listening	Reading	Spoken interaction	Spoken production		
B1	B2	B1	B1	B2	
B2	B2	B2	B2	B2	

(*) *Common European Framework of Reference for Languages*

Social skills and competences

Good communication skills gained during my experience as Commercial Promoter. I am an ambitious and diligent worker willing to take responsibility and learn fast.

Organisational skills and competences

Good team-leading skills gained as project creator for the "iLove Research Project" at the University Magna Graecia of Catanzaro. I am goal oriented and can handle deadlines and pressure while taking responsibility for different projects at the same time.

Technical skills and competences

Expertise in computational techniques in the drug discovery process, both *hit identification* and *lead optimization* and data mining (Molecular Dynamic simulations, Coarse-Grained simulations, docking programs, Free Energy Perturbation (FEP), Density Function Theory (DFT), ONIOM, QM/MM, Principal Component Analysis, Pharmacophoric models) acquired during my degree and doctoral program at the University Magna Graecia of Catanzaro, meanwhile FEP was acquired during my abroad stage at Yale University (USA).

DFT and QM/MM have been learned at the University of Calabria during the post-doc research.

Programs: Schrodinger Suite, Desmond, Glide, AMBER, GROMACS, Gaussian, LigandScout, Autodock, Autodock Vina.

Topics: HIV, HCV, radical activity, CD98, artificial enzyme.

OMISSIS

Computer skills and competences	<p>Proficient user of Office Suite Proficient user of UNIX Operating System Basic user of Python. Experience using High Performance Computing techniques (CUDA, MPI).</p>
Licence	Driving license B
Additional information	<p>Publications</p> <p>Costa, G.; Rocca, R.; Corona, A.; Grandi, N.; Moraca, F.; Romeo, I.; Talarico, C.; Gagliardi, M.G.; Ambrosio, F.A.; Ortuso, F.; Alcaro, S.; Distinto, S.; Maccioni, E.; Tramontano, E.; Artese, A. In silico analysis of resistance mutations naturally occurring in Hepatitis C Virus NS5B polymerase. 3rd Innovative Approaches for Identification of Antiviral Agents Summer School, Cagliari, Italy -- September 28th --October 3rd 2016.

Costa, G.; Corona, A.; Distinto, S.; Maccioni, E.; Moraca, F.; Romeo, I.; Talarico, C.; Ortuso, F.; Rocca, R.; Alcaro, S.; Tramontano, E.; Artese, A. Identification of natural non-nucleoside inhibitors of HIV-1 Reverse Transcriptase by a combined shape- and structure-based virtual screening approach. 21st EuroQSAR - 21st European Symposium on Quantitative Structure- Activity Relationship, Aptuit Conference Center, Verona, Italy - September 4th-8th 2016.

Romeo, I.; Artese, A.; Costa, G.; Ceccherini-Silberstein, F.; Di Maio, V.C.; Perno, C.F.; Alcaro, S. In silico analysis of the drug-resistance mechanism of HCV NS5A inhibitors in Hepatitis C Virus genotypes 1-4. 21st EuroQSAR - 21st European Symposium on Quantitative Structure-Activity Relationship, Aptuit Conference Center, Verona, Italy - September 4th-8th 2016.

Pouga, L.; Santoro, M.M.; Charpentier, C.; Di Carlo, D.; Romeo, I.; Artese, A.; Alcaro, S.; Antinori, A.; Wirten, M.; Perno, C.F.; Calvez, V.; Descamps, D.; Marcelin, A.G.; Ceccherini-Silberstein, F.; Lambert-Niclot, S. New resistance Mutation to Nucleoside Reverse Transcriptase Inhibitors at Codon 184 of HIV-1 Reverse Transcriptase (M184T). 14th European Meeting on HIV & Hepatitis 2016 – Rome, Italy - 25th-27th May 2016.

Romeo, I.; Costa, G.; Artese, A.; Parrotta, L.; Alcaro, S.; Alteri, C.; Bertoli, A.; Ceccherini-Silberstein, F.; Svicher, V.; Perno, C.F.; Antinori, A.; Latini, A.; D'Arminio Monforte, A. – Structural modifications induced by the HIV-1 Reverse Transcriptase polymorphism at position 98 tightly modulate the viremia decay to Tenofovir and Emtricitabine – International Retreat of PhD Students in Immunology -- 19-20 June 2015 – University "Magna Graecia" of Catanzaro, Catanzaro, Italy. *Oral communication*

Romeo, I.; Artese, A.; Costa, G.; Ortuso, F.; Santoro, M.; Svicher, V.; Perno, C.F.; Alcaro, S. Analisi strutturale di nuove mutazioni della proteasi di HIV-1 correlate a bassi livelli di viremia in pazienti sottoposti a terapia HAART. Convegno Congiunto SCI Calabria-Sicilia 2015, Catanzaro, Italia-- 3-4 Dicembre 2015.

Courses and Schools

- IstMuTalig COST Action Training School: Computational Approaches to Polypharmacology, 8-10 February, 2017 – Pharmaziezentrum UZA2, University of Wien.

- Course "High Performance Molecular Dynamics" in Cineca – Bologna from November 18th to 20th, 2015.

- Course ONE HEALTH Cibo, salute e "Prospettive future" at the University Magna Graecia of Catanzaro from March 26th to 27th, 2015.

Awards

- Medaglia Pietro Bucci 2018 Award refers to PhD Thesis.

- Award of excellence Paul Ehrlich MedChem Euro-PhD Network, July 2018, Portugal. Award refers to PhD Thesis with title "*Computational studies on antiviral targets: drug resistance mechanism and rational drug design*".

- Award of excellence for the degree in Pharmacy, 2013, awarded by the Order of Pharmacist of Catanzaro.
